

# Funky Christmas

The Whispers

Christmas, it feels like Christmas  
I know this must be the first funky Christmas  
Dancin', ooh, I feel like dancin'  
Oh, the music's so entrancin'  
I feel like dancin'

Hey, I'm so glad I'm here  
This Christmas, singin' loud and clear  
Christmas cheer has found us here  
We've been blessed another year

Christmas, it feels like Christmas  
You know this must be the first funky Christmas  
Dancin', ooh, don't you feel like dancin'  
Oh, the music's so entrancin'  
Don't you feel like dancin'

Hey, I'm so glad I'm here  
This Christmas, singin' loud and clear  
Christmas cheer has found us here  
We've been blessed another year

Hey!  
It's a funky Christmas, y'all

Christmas cheer has found us here  
I'm so glad we've been blessed another year

Christmas, it feels like Christmas  
I know this must be the first funky Christmas  
Dancin', ooh, don't you feel like dancin'  
The music's so entrancin'  
I feel like dancin'...
