

# Had It Not Been for You

The Whispers

Do you realize  
You're the only good thing  
That has happened  
To me since I've been on my own

Girl will you believe  
If I had not met you  
When I met you  
Then I would not ever have known

The joy and beauty of  
Two people sharing love, that's true  
My whole world would have caved in  
Girl had it not been for you

Girl you've done so much  
To give my life a whole new direction  
And much more than these word can say  
(Word can say)

So I give you my thanks  
And my promise that from now on baby  
That we will with each passing day

Know the joy and beauty of  
Two people sharing love, that's true  
My whole world would have caved in  
Girl had it not been for you

Oh

The joy and beauty of  
Two people sharing love that's true  
My whole world would have caved in  
Girl had it not been for you

Oh baby, the joy and beauty of...
