

Heaven

The Whispers

I never knew that love could make me feel this way
I yearn for you in the nighttime, I miss you everyday
Can't imagine being here without you
That's why I'm giving you my all, my whole life through

And if I had to choose a word that best describes you
Girl, it's heaven, heaven
And if there ever was a feeling to define you
Girl, it's heaven, heaven

Girl, your kiss is sweeter than the morning dew
And it's truer than the sunshine and deeper than the blue
And to love you now is as good as always
Because, baby, I'm yours, so let me count the ways

And if I had to choose a word that best describes you
Girl, it's heaven, heaven
And if there ever was a feeling to define you
Girl, it's heaven, heaven

Whoa, whenever I'm with you
Girl, it's heaven, heaven
Ooh, baby, when you love me like you do
(When you love me like you do, babe)
Girl, it's heaven, heaven

Ooh, there's nothing like the pleasure
When you do me like you do
I go through changes when I'm away from you
Baby, touch me for the moment
Believe me when I say
I love the way you take my breath away

Girl, it's heaven, heaven
Ooh, baby, I love the way you love me
Girl, it's heaven, heaven

When you love me, girl
(Heaven)
When you hold me, girl
Girl, it's heaven, heaven
Hee-hee, love, baby
(Heaven)
Girl, it's heaven, heaven

When you kiss me, girl
(Heaven)
When you hold me, girl
Girl, it's heaven, baby, heaven
Ooh, kiss me right here, baby
(Heaven)
Hold me right there
Girl, it's heaven, heaven...
