

# I'm Gonna Love You More

The Whispers

Girl, let's go all the way  
Let's don't stop it now, day by day  
We'll make it there somehow  
I've got to let you know

Since I found you, girl  
You're the song I sing  
I'm in another world  
So much you've given me  
It's like a never-ending groove  
Just can't get enough  
I'm gonna love you more and more  
Never before have I gone so far

So let's go all the way  
(Let's go, baby, let's go, let's go)  
Let's don't stop it now, day by day  
(Let's go, baby, let's go)  
We'll make it there somehow  
(Let's go, baby, let's go)  
I've got to let you know, baby

I'm gonna love you more  
In every way  
I'm gonna love you more  
Each and every, every day

Girl, come on with me  
Further into love  
The more you give, the more you get  
I've got to have it all  
Just like playing music louder  
(Sweet, sweet music)  
The more you feel the beat  
Girl, if we just love each day  
The more and more in love we're gonna be

So let's go all the way  
(Let's go, baby, let's go, let's go)  
Let's don't stop it now, day by day  
(Let's go, baby, let's go)  
We'll make it there somehow  
(Let's go, baby, let's go)  
I've got to let you know

(Let's go, baby, let's go)  
(Let's go, baby, let's go)  
(Let's go, baby, let's go)

I'm gonna love you more, baby  
I'm gonna love you more

Just me, just you  
All I ever wanted to do  
Is just love you, girl  
In every way  
Each and every day

Because you are such a pretty child  
I swear you simply drive me wild  
Your body is such a lovely thing  
Girl, you make me simply wanna scream

I'm gonna love you more, now baby  
In every way  
I'm gonna love you more  
Each and every day

Just wanna love you  
That's all I ever wanted to do  
Is just love you, yeah

Just me, just you  
All I ever wanted to do  
Is just love you, love you, girl  
In every way  
Each and every day

I said you got want I want  
And you got what I need  
Just wanna love you  
Each and every day  
I wanna love you, girl
