

# Jump for Joy

The Whispers

Uh-huh, uh-huh, ooh-ooh...  
Everybody jump for joy, come on  
If you're ready to party

We came a long way just to get in here  
And tell everybody all about this groove  
And the sole purpose of this funky information  
Is to get ya on the floor and move

So come on, y'all, and get up  
(Get on up)  
The time has come to get up  
(Everybody get on up)  
So come on, y'all, and get up  
(Well)  
The time has come to groove with you

So if you're my kind of people  
Sing it loud and hearty  
We're ready to party  
We want you to jump  
Hey, yeah, yeah, for joy  
If you're ready to party  
Wait a minute

All you people holdin' up the wall  
We're gonna get you out on the floor  
So all you party poopers, stop thinkin' and funk  
You got to get up or get out the door

So come on, y'all, and get up  
(Everybody get on up)  
The time has come to get up  
(Party, party, party, party)  
So come on, y'all, and get up  
(Yeah)  
The time has come to groove with you

Now if you're my kind of people  
Sing it loud and hearty  
We're ready to party  
We want you to jump  
Hey, yeah, yeah, for joy  
If you're ready to party

Now if you're my kind of people  
Sing it loud and hearty  
We're ready to party  
Well, we want you to jump  
Oh-whoa-whoa, for joy  
If you're ready to party

Jump  
Jump  
Party, party, party, party

Jump for joy

If you're ready to party  
Jump for joy  
(Everybody jump for joy)  
If you're ready to groove with me

If you're my kind of people  
Sing it loud and hearty  
We're ready to party  
We want you to jump  
Whoa-whoa-whoa, for joy  
If you're ready to party  
Say it again

Now if you're my kind of people  
Sing it loud and hearty  
We're ready to party  
We want you to jump  
Ooh-ooh-ooh, for joy  
Ah, if you're ready to party

Now if you're my kind of people  
Sing it loud and hearty  
We're ready to party  
We want you to jump for joy  
(Everybody let yourself go)  
If you're ready to party

Everybody clap your hands  
Everybody clap your hands, come on

Ain't that a groove  
Ain't that a groove  
Ain't that a groove

Now if you're my kind of people  
Sing it loud and hearty  
We're ready to party  
We want you to jump  
Hey, yeah, yeah, for joy  
Ah, if you're ready to party...
