

## Love for Love

### The Whispers

Do you think that this love could last forever?  
Can you tell if it's false or true?  
Do you think you could feel this with another?  
Do you think it's right for you?  
When you touch me, I know that I'm truly living  
A dream that will never end  
When I speak, I know your heart will listen

'Cause we're giving love for love  
Kisses for kisses, ooh-ooh...  
Love for love  
Ooh, wishes for wishes  
Love for love  
Pleasure for pleasure  
That's what I wanna give to you  
Love for love  
Measure for measure of love

Do you think that this joy could ever leave us?  
Do you know if it's right or wrong?  
Do you think that our hope could just deceive us?  
Do you think our hearts are strong?  
I can see by your eyes that you're truly giving  
And you need me like I need you  
And I know I'll never lose this feeling

'Cause we're giving love for love  
Ooh, we're giving kisses for kisses  
Love for love  
We're giving wishes for wishes  
Love for love  
Pleasure for pleasure  
What I wanna give to you  
Love for love  
Measure for measure of love

Love for love

'Cause we're giving love for love  
Do you think that this joy could ever leave us?  
Love for love  
Ooh, I don't believe  
We're gonna be apart one day, baby  
Love for love  
Pleasure for pleasure  
That's what I wanna give to you  
Love for love  
Love for love, love for love, ooh...
