

Once More With Feeling

The Whispers

Let's try it once with feeling, baby
I'd like to fall in love, oh
Let's try it once with feeling, baby
I'd like to fall in love again

The first time we fell in love
We really were too young to know
The heartache of being alone
We always had somewhere to go
How times have changed
I'm sitting home all alone, baby
Oh, if you knew
How I miss you, yes, I do, baby
Oh, oh-whoa...

Let's try it once with feeling, baby
I'd like to fall in love again
Let's try it once with feeling, baby
I'd like to fall in love again

There must be a little spark
Still hiding somewhere in your heart
I still see a gleam in your eyes
Whenever I see you walk by
It's not too late
To start anew just for you, baby
Please, take my love
It's just for you, only you, baby
Yeah, yeah

It's not too late
To start anew just for you, baby
Please, take my love
It's just for you, only you, baby
Oh, oh-oh...

Let's try it once with feeling, baby
I'd like to fall in love, oh
(I'd like to try it just once more time, yeah)
Let's try it once with feeling, baby
I'd like to fall in love, oh

Let's try it once with feeling, baby
I'd like to fall in love, oh
(Why don't you give me just one more chance, yeah)
Let's try it once with feeling, baby
I'd like to fall in love, oh...
