The Whispers

You're the one who fits into my master plan
Your heart with mine is like being in a wonderland
You're the one who makes my heart skip a beat
You're the only one I've ever wanted to keep

If only you could be with only me, can make my dreams come true
If only you could be with only me, can make my gray sky blue
If only you could be with only me, you have helped me see
If only you could be with only me, that it's only you for me

You're the one who makes me feel so warm and safe
You're the one that brought me to that special place
You're the one I want to hold my love so true
And I will allow be in love with you

If only you could be with only me, can make my dreams come true
If only you could be with only me, you turned my gray sky blue
If only you could be with only me, you have helped me see
If only you could be with only me, that it's only you for me

You're the one who holds the key all the secrets inside me
You found my silly side, you found the one that tried to hide
You took the chance and created our romance
You gave me eyes to see, with you is where I want to be, girl
