

You Are The One

The Whispers

From the very start
You filled my heart
With joy and happiness
You bring to me your best
I love you so
And you've got to know
Stay by my side for always

You are the one
I can feel it deep down in my heart
You are the one
You're the only girl for me, oh-whoa...

Finally love is here
And knowing it's, oh, sincere
With every breath I take
And knowing the love we make
'Cause I need your love
Just to see, just to see me through
And I'll be your friend
Always till the end

You are the one
I can feel it deep down in my heart
You are the one
You're the only girl for me

You are the one
I don't want, I don't need
I don't need nobody but you, girl
I can feel it deep down in my soul
You are the one
You're the only girl for me, oh...

I can feel it all over me
You are the one
You're the only one for me
You are the one
You're the only girl for me

You are the one
I don't want nobody
I don't need nobody
I don't want nobody but you
You are the one
I don't want nobody
I don't need nobody
I don't want nobody but you

You are the one
I can feel it deep down in my soul
You are the one
You're the only girl for me

You are the one
I can feel it deep down in my soul
You are the one...
