

# You'll Never Get Away

The Whispers

You'll never get away, never get away  
Never get away from my love  
(Get away, precious lady)  
I'll find a way to get your love

Precious lady, can't you see  
That I'm still in love with you  
And there's nothing you can do or say  
(There's nothing, truly nothing)  
To chase my love away  
(So don't waste your time)  
Even to the end of the universe  
I will follow you until I make, hey  
Make you love me too

You'll never get away, never get away  
Never get away from my love  
(Get away, precious lady)  
I'll find a way to get you, girl

So I'll just take my time  
Until you say you're mine  
And I hope it will be soon  
Girl, you make me dreams come true  
(Ooh, baby, you're so good to me, lady)  
Whenever I'm with you  
(When I'm with you)  
Love is sweet as honey  
You just stop that running  
I'm here to stay  
And I will never let you get away

Even to the end of the universe  
I will follow you until I make, hey  
Make you love me too

You'll never get away, never get away  
Never get away from my love  
(Get away, precious lady)  
I'll find a way, just to get you to love

(You'll never get away, lady)  
Ooh, you'll never, never, never, never, never  
(You'll never get away)  
You'll never get away, baby  
(You'll never get away, lady)  
Precious lady  
(You'll never get away)  
You're gonna still be mine  
Until the end of time  
(You'll never get away, lady)  
(You'll never get away)  
Stop that running...
