

# Unreliable

The Whitlams

There's a girl I know  
I want to take her around the world  
But she's so unreliable  
She's so unreliable

And it would be my luck  
She only likes me when she gets drunk  
And lately she's been thinking  
Of giving up drinking

Come tomorrow  
I'll be watching you cry  
Words and music by Chris Abrahams  
Produced by Rob Taylor and Tim Freedman  
Mixed and engineered by Rob Taylor
