

Dressing Up

The Wiggles

I'm putting on my doctor's coat.
Grab my doctor's bag and my stethoscope.
Ooh-ooh, I'm dressing up in style.
I'm putting on my riding hat.
Got my boots and my lariat.
Ooh-ooh, I'm dressing up in style.
Dressing up is so much fun.
You can dress as anyone.
You can use any clothes you'll find.
I'm putting on my big black boots,
My red hat and my fire-suit.
Ooh-ooh, I'm dressing up in style.
(Instrumental break)
Ooh, I'm dressing up in style.
Dressing up is so much fun.
You can dress as anyone.
You can use any clothes you'll find.
I'm putting on my doctor's coat.
Grab my doctor's bag and my stethoscope.
Ooh-ooh, I'm dressing up in style.
I'm putting on my riding hat.
Got my boots and my lariat.
Ooh-ooh, I'm dressing up in style.
I'm putting on my big black boots,
My red hat and my fire-suit.
Ooh-ooh, I'm dressing up in style.
