

Hat on My Head

The Wiggles

Hat on my head
It's sunny today
Got my hat on my head, it's sunny today
I'll be okay
I put my raincoat on
(Raincoat on)
It's starting to rain
(Starting to rain)
Put my raincoat on, it's starting to rain

I'll be okay
Oh, it looks like the rain is stopping
Hey, the sun's coming out from behind that cloud!
I'd better take this raincoat off
I won't need it anymore

I'll take my raincoat off
(Raincoat off)
It's sunny again
(Sunny again)
Take my raincoat off, it's sunny again
I feel okay
We feel okay, yeah!
