in the Big Red Car we like to ride  
Through the rainbow and the countryside

Guess what's over on the hill

It's standing very still

Aahahah

It's a scarecrow

(R)

Guess what's eating lots of grass

It moos as us as we drive past

Aahahah

It's a cow

(R)

Guess what's jumping in the air

You know it jumps everywhere

Aahahah

It's a kangaroo
