Wiggles: Shock the world,
the Tomahawks are gonna shock the world
Shock the world,
the Tomahawks are gonna shock the world
President Obama, carve the face of Joseph Paulo
On Mt Rushmore
President Obama, you're gonna hold the world cup up high
Tommy the Eagle is doing
The pigeon dance
On the bridge of Avignon
In the south of France
President Obama, carve the face of Joseph Paulo
On Mt Rushmore
President Obama, you're gonna hold the world cup up high
Cook Islands, you beat them.

Wales, you beat them.
Scotland, you beat them.
Australia...(Gucci the Galah screeches)
Shock the world,
the Tomahawks are gonna shock the world
Shock the world,
the Tomahawks are gonna shock the world
President Obama, carve the face of Joseph Paulo
On Mt Rushmore
President Obama, you're gonna hold the world cup up high
