

# We Like To Say Hello

The Wiggles

The Big Red Car rolls along the street  
And to all the people that we meet, we like to say hello  
Say hello! To the people that we meet.  
In the back are Wags and Dorothy  
Captain Feathersword and Henry, they like to say hello  
Say hello! To the people that we meet.

We beep the horn on the Big Red Car (beeps)  
We ride along and we travel far (beeps)  
Cause theres lots of people we can meet, in our Big Red Car!  
The road we travel is a bumpy ride  
You know theres not alot of room inside, as we sing our song  
Sing our song! As we ride along.

We beep the horn on the Big Red Car (beeps)  
We ride along and we travel far (beeps)  
Cause theres lots of people we can meet, in our Big Red Car!

Say Hello, Big Red Car (beep)  
Say Hello, Big Red Car (beep)
