

Beautiful Thing You

The Wildhearts

And in the time it takes to feel,
I could swear that you get closer every day
And my only hope is when it all comes real,
I don't fuck it up and throw it all away
'cause every time the chaos starts (time after time)
A message screams into my heart
We're always an ocean apart.
You're always in my heart

Oh-woah-woah you beautiful thing you
You beautiful thing you, you beautiful thing
Oh-woah-woah you beautiful thing you
You beautiful thing you, you beautiful thing

And I console myself when life is throwing spears,
There's a growing of the spirit deep inside
And the part of me that smells you getting near,
Trying patiently to break the great divide
And if I fall I'm only down (I face the sky)
I'll be there second time around
To practice the balance I've found,
I'll always be around

Oh-woah-woah you beautiful thing you
You beautiful thing you, you beautiful thing
Oh-woah-woah you beautiful thing you
You beautiful thing you, you beautiful thing

Always an ocean apart
You're always in my heart

Oh-woah-woah you beautiful thing you
You beautiful thing you, you beautiful thing
Oh-woah-woah you beautiful thing you
You beautiful thing you, you beautiful thing
(You beautiful thing)
You beautiful thing
(You beautiful thing)
You beautiful thing
