## **Drinking About Life**

## The Wildhearts

I can be anything I want to be, anything you hate in me multipl ied by twenty three

Sometimes in my head I think I'm someone else that makes me fee  $\mbox{l}$  bad, badder than before

It's my life, my time, I can do what I want to do

When did I give you an invite to come round here, make me feel bad, badder than before

It's my life, my time, I can do what I want to do

It's my solo party, it's my body, and if I choose to abuse it w ith my lifestyle and my music

What the fuck! I can't lose! it's my life! why is it I can't ke ep you far enough away?
