

## L.T.D.

## The Wildhearts

Dance across the stars, I'm the latest sensation  
Shining from above all of your fake adulation

I shoot a star beam all over the world  
I keep a promise for every girl

You're L.T.D. I'm crazy  
Your craziness don't phase me  
Praise liberty to the L.T.D. force

Sharing out my soul to an eager new nation  
Shrinking violet state isn't in my vocation

I'm gonna rise far above you, so tall  
I'm gonna answer your every call

You're L.T.D. I'm crazy  
Your craziness don't phase me  
Praise liberty to the L.T.D. force

I shoot a star beam all over the world  
I keep a promise for every girl

You're L.T.D. I'm crazy  
Your craziness don't phase me  
I'm L.T.D. you're crazy  
Ain't nothing that can phase me  
You're L.T.D. I'm crazy  
Your craziness don't phase me  
Praise liberty to the L.T.D. force
