

Looking for the One

The Wildhearts

You and me, we didn't even see the writing on the wall
Gravity helped to lift our hopes, but never broke our fall
With or without, I still need some time to work it out
It's going nowhere, and it's almost there

You're not the one I've been looking for
You're not the one I've been looking for
You're not the one I've been looking for
Still looking for the one
I'm still looking for
Someone

Would you agree we fulfilled the need to spend a little love?
In all honesty, were we ever feeling more than just enough?
How many times do we speak our minds to change our minds?
It's going nowhere in an easy chair

You're not the one I've been looking for
You're not the one I've been looking for
You're not the one I've been looking for
Still looking for the one
I'm still looking for
Someone

And when the moment arrives
And we can see in the eyes
That all the will in the world
Can never keep it alive
It's only righting the wrongs
That kept us rolling along
It's kind of obvious to me
That you are not the one

You're not the one, you're not the one
You are not the one

You're not the one I've been looking for
You're not the one I've been looking for
You're not the one I've been looking for
Still looking for the one
I'm still looking for

You're not the one I've been looking for
You're not the one I've been looking for
You're not the one I've been looking for
Still looking for the one
I'm still looking for

Someone
Someone
Someone
Someone
Someone
Someone
Someone
Someone
Someone
