

You Are Proof That Not All Women Are Insane

The Wildhearts

Wo-Woah!
Wo-Woah!
Wo-Woah!
Wo-Woah!

You'll never see her out on her own
She always seems like a tower of stone
She's never angry, most of the time
She's outta sight and I'm out of my mind

Wo-Woah!
Wo-Woah!
Wo-Woah!
Wo-Woah!

She'll never judge and she's never in doubt
I'm the only bad thing to come out of her mouth
She brings the best out of all of her friends
Her golden era, it never ends

The girl away from me is still as far away as she's ever been
The girl away from me is still so far away

Wo-Woah!
Wo-Woah!
Wo-Woah!
Wo-Woah!

And she'll drink most guys under the bar
And not get sick in the back of the car
Okay, so her music and her movies are bland
These days it's enough to get a nine out of ten

The girl away from me is still as far away as she's ever been
The girl away from me is still so far away

Wo-Woah!
Wo-Woah!
Wo-Woah!
Wo-Woah!

The girl away from me is still as far away as she's ever been

Wo-Woah!
Wo-Woah!
Wo-Woah!
Wo-Woah!

Wo-Woah!
Wo-Woah!
Wo-Woah!
Wo-Woah!
