

Where Do We Go from Here

The Williams Brothers

WHERE DO I GO FROM HERE
WITH THE POZO SECO SINGERS

Groceries are gone, my pay cheque is spent. They turned off the water, I'm behind on my rent. Last night I drunk my last beer and where do I go from here. I've been laid off since Monday before. The union is holding out hoping for more. Well I could be laid off for years.

And where do I go from here, where do I go from here.

Sittin' at the kitchen table staring at my unpaid bills, sometimes I feel so unable it's the boredom not the worry that kills.

Oh where do I go from here. Where do you go when nobody needs you. Why can't you sleep when there's nothin' else to do, why are your thoughts so unclear.

Oh where do you go from here, where do you go, where do you go from here.

I don't like complaining and I could use a rest but my sofa and chairs just got repossessed and my pride is the next thing I fear.

Oh where do I go from here, where do I go. Where do I go from here. Tell me where do I go, where can I go, where can I go from here.
