

Bring Back the Days of Yea and Nay

The Winans

I remember when life was so simple
You did or you didn't, you would or you wouldn't
But it ain't like that anymore

I remember when life was so easy
People said what they meant
They were either for it or against
But it ain't like that anymore
(Somewhere, we lost the score)

[Refrain / Chorus]
Bring back the days of Yea and Nay
When we could plainly see the way
Then he was up to us to choose
Whether to win or lose
Bring back the times when we could see
What it was we were to be
Caught in the midst of complexity
We search for Yea and Nay

I remember when life was so simple
Parents were a light
Through them, we saw what was right
But it ain't like that anymore

I remember when life was so easy
Boys grew into men
Little girls to women then
But it ain't like that anymore
(Somewhere, we lost the score)

[Refrain / Chorus]

We knew where we belonged
What was right and what was good (and what was good)

[Refrain, 2 fois, dont une en arrière-plan du couplet
suivant / Chorus, 2 times]

[Over the Chorus]
Need a simple yes or no
Should I stay or should I go?
Life has become so advanced
Wish I had a second chance
To go back if I could
See wha' was bad and wha' was good
Now, I'm here and what I fear

Is we won't find Yea and Nay (Search for them all
before)
Will we find Yea and Nay? (Ooh)
Oh, oh
