

Restoration

The Winans

Restore me,
Restore to me the joy
repeat 1x
This is my prayer today yeah

verse 1

It reminds me of the prodigal son
After his righteous livin
All the evil he had done
Yet when he returned his father received him home
Gave him a ring of gold put him on a robe
Killed the fatted calf gave him somethin he never ever
had

Restoration

chorus

Restoration has finally come
Been restored back to my place in God

my place

What would i know about his mercy if i hadn't got out
of grace it sort of reminds me of the
Prodigal son
After his righteous livin
All the evil he had done
Yet when he returned his father received him home
Gave him a ring of gold put him on a robe
Killed the fatted calf gave him somethin he never ever
had
