

When You Cry

The Winans

When you cry loved one
Makes me cry dear one
Don't you know you never
Cry alone

When you're sad loved one
Makes me sad dear one
Don't you know you're never
Sad alone

Chorus:
Though my house is set on high
Doesn't mean that I don't hear you
When you cry
I'm right there by your side

Verse 2:
When you hurt (when you hurt)
Makes me hurt loved one
Don't you know you never
Hurt alone

When you grieve (when you grieve)
Makes me grieve dear one
Don't you know you never grieve alone

(chorus)

Bridge:
If there's a sunny day
I'll be right there with you
Could be a rainy day
But I shall not be moved

No matter what we face
We'll weather every storm
You can depend on me
I'll never leave you alone
(repeat)

Verse 3:
When you smile (when you smile)
Makes me smile dear one
Don't you know you never
Smile alone

When you laugh (when you laugh)
Makes me laugh dear one
Don't you know you never
Laugh alone

Tab:
Though in this life some rain must fall
And troubled tears they start to fill your eyes

When you cry
I'm right there by your side

When you cry
I'm right there by
Your side
