

# Yeah Yeah Yeah

The Winans

Tell me, tell me that  
Tell me, tell me that  
Tell me, tell me that  
Can I look into your eyes?  
Can't ya hear me say?

Tell me, tell me that  
Can I dance between your thighs  
Can't ya hear me say?

Oh oh oh oh,  
Tell me yeah yeah yeah  
Oh oh oh oh,  
Tell me yeah yeah yeah

Tell me, tell me that  
Tell me, tell me that  
Tell me, tell me that  
Can I twist and pull your hair?  
Can't ya hear me say?

Tell me, tell me that  
Can I carry you upstairs?  
Can't ya hear me say?

I know I ain't a Romeo  
I know you got no place to go  
I need your love  
I want my share

Well nuh-uh, and no-no-no  
Tell me uh-huh, and yeah yeah yeah

Oh oh oh oh,  
Tell me yeah yeah yeah  
Oh oh oh oh,  
Tell me yeah yeah yeah

sssssshhhhhh...

(imitating Elmer Fudd)  
Be ve-e-ewy v-e-eewy qwiet...  
It's woman season  
I'm woman huntin  
hahahahahahahaha

Every time I go woman huntin  
It always seems to blow up in my face

See, I don't always get the things I want  
But a sweet, kind, loving, forgiving, understanding,  
beautiful, rich, c\*ck-sucking nymphomaniac  
would be nice every now and then!

Hey, I'm a nice guy  
I bathe  
Sure I got blue balls, so what

Doesn't make me a bad person  
Oh you know this?

One example,  
The girl that walked out on me on New Year's Eve  
Well she came back last night and she said  
"I don't have to go home tonight"  
I said "alright"

So once again,  
I go out and I buy a case of cold, cold Heinekin  
And I had it out in the van, it was the big bottle,  
Not the little bottle, the big bottle of Jack Daniels

I had TWO left,  
Two ludes for the girl of my wet dreams

Now, once again,  
She drinks my beer,  
She drinks my whiskey  
She does my quualudes

Five in the morning comes,  
Note: Five has come,  
Steve has yet to come  
Five in the morning comes

And this girl looks at me  
In a most peculiar way  
She is not looking very well  
From her eyes come these  
big, big, big, big tears  
Rolling all over her face  
Down into her chest and  
Into her underwear

And she's got those big green snot bubbles  
You know - it's not runny,  
It's big thick sh\*t

And she's got drool  
This sh\*t had legs,  
I don't know what the f\*ck it was

It was nothing but  
Tears and Snot and Drool, oh my!  
Tears and Snot and Drool, oh my!  
Tears and Snot and Drool, oh my!  
Tears and Snot and Drool, oh my!

So she's not looking very well,  
We've established that, right?

So she looks at me and says  
"Stevie... I feel sick. I gotta go home now."

And she THREW UP all over the floor

It was disgusting  
It smelled really, really bad  
It smelled like... it smelled like puke  
Only puke smells like puke  
You can have farts that don't smell like puke

Nothing smells like puke but real puke  
The sh\*t was steamin  
It was on my carpet  
I was there just to have a good time with the lady  
I took her out for dinner, and she puts dinner on my carpet  
In a steaming heap of puke  
I'm sorry, I was PISSED

So I looked at her, and I said  
"You... no good for nuthin  
Fuzzy headed, big-eyed  
Booger-nosed, blow-me lips  
Double-chin, flat chested, hairy back,  
Big fat hairy a\*\* "

She had crowbar black pubic hair  
And she had cellulitic legs  
And she did NOT shave her legs,  
So if to touch it pricked, it pricked to touch 'em  
To touch it pricked, it pricked to touch 'em,  
She had big feet like Bozo the Clown  
Oh she weebled but she won't fall down

I said "You get your teary, snotty, droolin,  
F\*ckin hairy a\*\* outta my home you  
Whore-bag pig bitch!"

What would you do?  
What would YOU do?

I said "Go outside and do that"  
I don't need this  
I'll go to the Geisha house  
Find a real whore

Quit throwing up  
Sh\*t stinks  
Just stop it

And I said...  
Don't tell me no  
Tell me yeah, yeah, yeah

Don't tell me no  
Tell me yeah, yeah, yeah

And she threw up AGAIN!

Tell me, tell me that  
Tell me, tell me that  
Tell me, tell me that  
Can I lubricate your lips?  
Can't ya hear me say?

Tell me, tell me that  
Can I sink your battleship?  
Can't ya hear me say?

I know I ain't a Romeo  
I know you got no place to go  
I need your love  
I want my share

Well nuh-uh, and no-no-no  
Tell me uh-huh, and yeah yeah yeah

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah

Oh oh oh oh,  
Tell me yeah yeah yeah  
Oh oh oh oh,  
Tell me yeah yeah yeah  
Oh oh oh oh,  
Tell me yeah yeah yeah  
Oh oh oh oh,  
Tell me yeah yeah yeah
