

Snuff out my light  
But I'm laughing now, I'm laughing now  
You wanna fight  
But I'm laughing loud, I'm laughing loud  
You could be contrite  
But you don't know how, you don't know how  
Admit I'm right  
But you don't know how, you don't know how

I've got a lot I'm working through, I never said I'm perfect  
Because of the things that you do

I'm more than what you see  
I know I'm not where I belong  
High in this spiral spinning down down down  
You know that something tells me  
I'm somewhere that I don't belong  
it's something viral and it's all around

My hands on my ears  
While you scream it out, you scream it out  
you've got the Yeahrs  
Why you screaming now? you're screaming now

I take all abuse from you, you never say you're sorry  
you've got the floor, I've got the truth

I'm more than what you see  
I know I'm not where I belong  
High in this spiral spinning down down down  
You know that something tells me  
I'm somewhere I don't belong  
it's something viral and it's all around

I'm in your bible, I'm your survivor  
I've got a lot I'm working through  
Why should I say I'm sorry?  
Because of the things that you do  
I'm gonna break your broken rules  
Since you painted my heart blue

I'm more than what you see  
I know I'm not where I belong  
High in this spiral spinning down down down  
You know that something tells me  
I'm somewhere I don't belong  
it's something viral and it's all around  
All around, I'm in your bible  
I'm in your bible, I'm in your bible  
(And I don't belong)  
In a spiral... is it viral?  
And it's over
