

# Live A Lie

## The Word Alive

I won't live a lie, I don't hide  
I don't hide  
I won't let you pull me down  
I'll be who I am and I will, I will live  
I'm alive

If you think I'll break because you think I'm the same  
I won't live a lie, I won't live a lie  
You can't keep me this way, I will escape  
I won't live a lie, I won't live a lie  
Fear will never conquer me  
It will guide my way  
I welcome this day  
Welcome me this way  
Fear will never overcome me

Finally, you begin to see, I was built to be more  
Never will I settle for your worth  
You can't trust what you know, this is just the beginning  
I'm right here. You can't deter me  
I'm right here. You can't escape me  
I'm right here  
You'll never find your way out

This is me  
This is me

If you think I'll break because you think I'm the same  
I won't live a lie, I won't live a lie  
You can't keep me this way, I will escape  
I won't live a lie, I won't live a lie  
Fear will never conquer me  
It will guide my way  
I welcome this day  
Welcome me this way  
Fear will never overcome me

So many times,  
I've laid by the wayside  
While I let them tear at me  
It's my time to believe  
If you ever believed in something,  
It's time you believed in me

If you think I'll break because you think I'm the same

If you think I'll break because you think I'm the same  
(I won't live a lie, I won't live a lie)  
You can't keep me this way, I will escape  
(I won't live a lie, I won't live a lie)  
Fear will never conquer me, it will guide my way  
I welcome this day (Welcome me this way)  
It will never overcome me

I won't let anything come before me  
This is who I am, I am alive.
