

# Dazed and Confused

The Yardbirds

I'm dazed and confused,  
Is it stay, is it go?  
I'm being abused,  
And I think I should know,  
Come on baby,  
I'm starting to crack,  
If you're out to get me,  
You're on the right track.  
Hey!  
Hey, hey!

I'm dazed and confused,  
Hanging on by a thread,  
Come on baby,  
Do you want me dead?  
I can arrange that for a dollar or two.  
I can't remember,  
Anything about you.  
Hey, hey!  
Hey, hey!

Hey!

I'm dazed and confused,  
Hanging on by a thread,  
I'm being abused,  
I'd be better off dead,  
If you're out to get me,  
You're on the right track,  
Quittin' teasin',  
I'm starting to crack.  
Yeah!  
Yeah!  
Yeah!  
Hey, hey, hey!
