Let's buy a penthouse suite in Vegas or L.A. (YEAH)
They never sleep so why keep wasting our days
Can't stop my feet from running now.

We can make it where everything is fun.
We're on the border line of being wasted.
We can make it if I forget to mention. alleged.
Assumptions we're in the clear.

New found love for resting only in my day dreams.

Live life. spend your money. you only get one shot.
So live it up like it's your last.

We can make it where everything is fun.
We're on the border line of being wasted.
If I forget to mention. alleged.
Assumptions we're in the clear, yeah
