Everythere

The Young Gods

Check those monkeys in the sky Check those monkeys getting high Oh horizon sky 2x Everythere

One says listen to your heart One says the heart is too loud Oh horizon dear Oh horizon Everythere

All eletric now All electric

Check them begging the past Hey Hey the past is too fast Oh horizon clear Oh horizon Everythere

All eletric now All electric

One says the sky is the limit Monkey jumped in on it

All eletric now All electric
