Crazy Love

Thea Gilmore

I can hear her heart beat for a thousand miles And the heavens open every time she smiles And when I come to her, that's where I belong I'm running to her like a river's song

She give me love, love, love, love, crazy love She give me love, love, love, love, crazy love

She's got a fine sense of humor when I'm feeling low down And when I come to her when the sun goes down Take away my trouble, take away my grief Take away my heartache in the night like a thief

Give me love, gimme, gimme, gimme, gimme, gimme crazy love Give me love, love, love, yes sir, crazy love

Yes, I need her in the daytime Yes, I need her in the night But I want to throw my arms around her Kiss her an' hug her, kiss her an' hug her tight Kiss her an' hug her tight, through the night

And when I'm returning from so far away She gives me some sweet lovin' brighten up my day It'll make me feel righteous, make me feel whole Make me feel mellow down into my soul

Give me love, gimme love, yes sir, crazy love Give me love, gimme, gimme, gimme, crazy love

I said she give me love, love, love, aww, crazy love She give me, yeah, crazy love

I said give me love, love, love, love, crazy love She give me love, love, yes sir, a crazy love, one more time

She give me love, love, love, love, she give me crazy love She give me love, love, love, yes sir crazy love
