I Will Not Disappoint You Lyrics  
Thea Gilmore

You know me the ragged beginner  
Soul of a sinner  
Face of stone

You know me  
Death of the party  
Awkward and artless  
I sail alone

but you know me  
lost to the story  
love you like fury  
I'll be your home

And I ... I  
I will not disappoint you

You know me  
I paint the town black  
A course on my back  
A loaded gun

You know me  
a grim sky  
shadow in your eye  
where colours run

but you know me  
heart like a song  
I love you like a fire bomb  
I'll be the one

And I...I  
I will not disappoint you  
I will not disappoint you

You know me the ragged beginner  
Soul of a sinner  
face of stone
