

The Healing Hand

Theocracy

I. The Gift

Gloria Gloria

underneath a burning star

seeking their salvation

see them searching for the One

who's come to heal their nation

prophecy incarnate

holiness in flesh arrived

the star has shown the path to life and hope is now
alive

FOR UNTO EARTH IS BORN THE HOLY HAND

II. Restoration

See the multitudes surround this man of miracles

the key to life they've found, He is the Son of God

Hear the suffering people cry for healing from this man

as they reach out to touch a supernatural hand
