Hey little girl

F

Wanna go for

G

a ride

Theres room in my vagons park right outside
We can cruise down Roberts street all night
But I think I rape you and kill you insdteade

I heard theres a party at lake Cow
It be so much esier if I drove
We could check it out we can go and see
Comon take a ride with me

Lay down together for a while
Ill put all your close in a little pile
You are the cuttest girl I eer seen in my life
But its over now with my knives
