

Bm G D (3x)

Bmi G D
This reminds me when they shot him dead

Bmi G D
Don't go out of this place is what he said

Bmi G D
Saw a movie and I finally cried

G D G D
You sent me skyward, skyward

Bmi G D
So many people asking how much I had

Bmi G D
The world flashes, Christians slide into Hell

Bmi G D
What I've got is bad but I'm as high as a bird

G D G D
She sent me skyward, skyward

A G D
Said, one day I'm dreaming just about like before
A G D
You sure of my feelings just like before (?)
(one day you're sure I'm off my face I just the door)

A G
I got stabbed back then so I said
D
(one day I've got to step back and see where to)

G D G D
You sent me skyward, skyward

Bmi G D
You took your heart with you safe as mine (?)

Bmi G D
Time after time I've broached desire (?) (take away the pain) (?)

Bmi G D
In those parties where all times of year (?)

G D G D
She poured me skyward, skyward

G D G D
skyward, skyward
