

# Let It Go

Theresa Sokyrka

From walking home and talking loads  
To seeing shows in evening clothes with you  
From nervous touch and getting drunk  
To staying up and waking up with you

Now we're sleeping near the edge  
Holding something we don't need  
All this delusion in our heads  
Is gonna bring us to our knees

So, come on, let it go, just let it be  
Why don't you be you, and I'll be me?  
Everything that's broke, leave it to the breeze  
Why don't you be you, and I'll be me?  
And I'll be me

From throwing clothes across the floor  
To teeth and claws and slamming doors at you  
If this is all we're living for  
Why are we doing it, doing it, doing it anymore?

I used to recognize myself  
It's funny how reflections change  
When we're becoming something else  
I think it's time to walk away

So, come on, let it go, just let it be  
Why don't you be you, and I'll be me?  
Everything that's broke, leave it to the breeze  
Why don't you be you, and I'll be me?  
And I'll be me

Tryna fit your hand inside of mine  
When we know it just don't belong  
'Cause no force on earth could make it feel right, no, no  
Tryna push this problem up the hill  
When it's just too heavy to hold  
I think now's the time to let it slide

So, come on, let it go, just let it be  
Why don't you be you, and I'll be me?  
Everything that's broke, leave it to the breeze  
Let the ashes fall, forget about me

Come on, let it go, just let it be  
Why don't you be you, and I'll be me?  
And I'll be me  
(Ooh, me, you)
