

## Fly to the Rainbow

**Therion**

Originally performed by Scorpions  
Rain in the sky, make the world fly,  
into time, back beyond time.  
Sun in the sky made the world fly  
into time, back beyond time.  
Well, I lived in magic solitude  
of cloudy-looking mountains  
and a lake made out of crystal raindrops.  
Roamin' thru space, two thousand years ago,  
I've seen the city of Atlantis  
sinking into eternal darkness...  
Somewhere in the blue distance  
are those long forgotten trees of yore.  
A broken violin floatin' alone in december  
darkness everywhere and nothing more.  
Symbol, strange melancholy,  
painted torrid colours to a sky of green.  
Candle, breathing one night only,  
far away, in chillness, bleak, unseen.  
Drifting galley, ghostlike shadow,  
set sail to catch and kill the time.  
Echoes wandering down an endless meadow,  
search for a thing... sublime...
