Fly, Great Bird Taus - Fly to the sunrise

Your feathers and the crown, the symbols of your strength

Taus (in) your follower's dance

The offspring of Azrael - Accused as apostates

But they're blessed by Mele al Kawat, aks whose guest shall the
Sanjak be?

Melek Taus

Sheik Adi, Yezi - Say Hol hola!

The Peacock Lord is here, the Serpent King will rise

Seven angels, seven Seihs - Waiting on Mount Lalesh

Until the day they hear you pronounce: "As behre Azide Sarum!"

Hear the Peacock Lord declare: "Don't say my secret name!

I was, am now and shall have no end...you will know me as Melek
Taus"
