

Riders of Theli

Therion

Hail
You Riders of Despair
Surrounders at The Throne
Deep In the Dragons Lair
with blood you've signed The Oath
With DEGGIAL allied
Preparing far the worlds
Transform Into the dark
You're a knight
Sworn to fight
Your soul you've sold
There's no turning back
Come on
My Brother of the North
There is no turning back
Your faith is to go forth
Reality no more
Fulfil your destiny
Attain the final goal
And join eternity
There's no hide!
Suicide?
There is no death
So ride, ride, ride...
