

# Secret of the Runes

**Therion**

Hangatyr, Your whisper told me the secret of the runes.  
I follow you to be come immortal.  
I take a ride on the worldtree, offer me to myself.  
I hear the song  
I carve the runes of the Irmin.

I pick the leaves of the worldtree, Yggdrasil my stallion  
Eighteen I find (when I) sing the song of Odin.

I eat the fruits of the Futhark  
Yggdrasil my stallion  
I take a ride (and fly) with the wings of Odin

Seek it low you go to find them glow

By the well of Mimameid  
Eighteen runes will come to you Take the hand of Hangatyr  
You feel the serpent rise
