

# Numbers

## These New Puritans

What's your favourite number?  
What does it mean?

Number 1 is the individual  
Number 2 - duality  
Number 3, ... numerology is all shit  
Number 4 is the number that runs through this music

What's your favourite number?  
What does it mean?

Numbers...

Every number has a meaning

What's your favourite number?  
What does it mean?

Number 6 is the sword on your neck  
Number 7 - surreality  
Number 9, this is where the cycle ends  
Number 10, here we start again
