

## Mrs. Bluebeard

### They Might Be Giants

I want to say I learned something valuable today  
Alas, my murdered remains are incapable of learning anything  
Trusted you  
I should have never trusted you  
In fact I never did  
What's the use  
I'm not complaining  
I'm not anything

Is this what's supposed to happen  
When you're only trying to do right in this wicked world?  
Probably I should already know this  
Probably I should graciously accept what I get

Most people wouldn't hang the corpses up for review  
Dearest, I can only hope most people are nothing like you  
Nervous tics  
That I pretended not to see  
That's how I was brought up  
Warning signs  
Death metal albums  
"Hang in there, baby" poster

Is this how you thank somebody  
For their selfless loyalty? Is this what you do?  
Pardon me for failing to grasp how this works  
Excuse my breathtaking ignorance

Is this what's supposed to happen  
When you're only trying to do right in this wicked world?  
Probably I should already know this  
Probably I should graciously accept what I get
