

## S-E-X-X-Y

### They Might Be Giants

Dressed only in clothes  
From her head to her toes  
This is the way  
The talking part goes

S-E-X-X-Y  
More than enough  
Around the clock with nobody else  
S-E-X-X-Y

There she is  
Standing on the bed  
Cookie in one hand, wig on her head  
S-E-X-X-Y

X because it's extra baby  
why because it's extra baby  
Unnoticed by few  
Very very few  
And that includes you

Look inside your mind  
Look inside your eye  
Secret agent spy, come to see why  
S-E-X-X-Y

One finger nail  
Across your back  
Baby's first gold tooth initials inscribed  
S-E-X-X-Y

X because it's extra baby  
why because it's extra baby  
You gotta understand  
She wants to be your man  
She's got another plan
