## They Might Be Giants

Hang on  
Hang on tight

They might be giants (boy)  
They might be giants  
They might be rain  
They might be heat  
They might be frying up a stalk of wheat

They might be giants (boy)  
They might be giants  
They might be brain  
They might be washed  
They might be Dr. Spock's back-up band

To make the merry-go-round go faster  
So that everyone needs to hang on tighter  
Just to keep from being thrown to the wolves

Tabloid footprints in your hair  
Tabloid footprints everywhere  
We can't be silent  
'Cause they might be giants  
And what are we going to do unless they are

They might be giants (boy)  
They might be giants  
They might be bald  
They might be snow  
They might be something else in the snow

Hang on tight

They might be giants (boy)  
They might be giants  
They might be fake  
They might be lies  
They might be big, big, fake, fake lies

Tabloid footprints in your hair  
Tabloid footprints everywhere  
We can't be silent  
'Cause they might be giants  
And what are we going to do unless they are

They might be giants (boy)  
They might be giants (boy)  
They might be giants (boy)  
They might be giants (boy)
