

Revolution Solution

Thievery Corporation

Oh I've hoped for comfort
But I've never felt too safe
And in this hard life
I've had to navigate through
Unexhausted
Has been my virtue

Oh I've hoped for comfort
But I've never felt too safe
And in this hard life
I've had to navigate through
Unexhausted
Has been my virtue

They set themselves against I
They set my pride on fire
Phoenix always rises high
Rebel crusader
Driven to decisions
They trapped me into

The Revolution Solution
Oh I've come to join you

Oh I've hoped for comfort
But I've never felt too safe
And in this hard life
I've had to navigate through
Unexhausted
Has been my virtue

Oh I've hoped for comfort
But I've never felt too safe
And in this hard life
I've had to navigate through
Unexhausted
Has been my virtue

The paradox of poverty
Has left us dismayed
Sliding democracy
Washing away
The toil of the many goes
To the fortunate few

The Revolution Solution
Oh I've come to join you

The toil of the many goes
To the fortunate few

The Revolution Solution
Oh I've come to join you
