

True Sons of Zion

Thievery Corporation

Ahmadiyyan war
Gangstas, we know who you are
K'yeah, I'd be I know battle scars
We can see you in the near and far
We all go rise against the storm
I know not'ing I was wron'
Don't be tricked by false alarm
When you slip, that's when the guns draw

True sons of Zion
Exiled in the streets
Overseers of Babylon
Spreadin' lies and deceit
Children of Zion
Shot down in the streets
While the forces of Babylon
Want I & I on their knees

Everybody disavows anybody who said
Who, in theory, are superior, dem tink that we no need
We bleed the same color, from the same air we breathe
It don't matter about the millionaire ancestry

At the wall with the Caspian Sea
Meridian fancy geometry
London, Vatican, Washington DC
De all of dem are one unholy trinity

True sons of Zion
Exiled in the streets
Overseers of Babylon
Spreading lies and deceit

Children of Zion
Shot down in the streets
While the forces of Babylon
Want I&I on their knees
When the Selassie comes, we gonna run out Babylon
When the Selassie comes, we gonna run out run out, run out Baby
