

# Dancing in the Moonlight (It's Caught Me in Its Spotlight)

Thin Lizzy

When I passed you in the doorway  
Well you took me with a glance  
I should have took that last bus home  
But I asked you for a dance

Now we go steady to the pictures  
I always get chocolate stains on my pants  
And my father he's going crazy  
He says I'm living in a trance

But I'm dancing in the moonlight  
It's caught me in its spotlight  
It's alright, alright  
Dancing in the moonlight  
On this long hot summer night

It's three o'clock in the morning  
And I'm on the streets again  
I disobeyed another warning  
I should have been in by ten

Now I won't get out until Sunday  
I'll have to say I stayed with friends  
But it's a habit worth forming  
If it means to justify the end

Dancing in the moonlight  
It's caught me in its spotlight  
It's alright, alright  
Dancing in the moonlight  
On this long hot summer night

And I'm walking home  
The last bus has long gone  
But I'm dancing in the moonlight

[Instrumental]

Dancing in the moonlight  
It's caught me in its spotlight  
It's alright, alright  
Dancing in the moonlight  
On this long hot summer night

Dancing in the moonlight (I'm dancing in the moonlight)  
It's caught me in its spotlight (It's caught me in in it's spotlight)  
Dancing in the moonlight (dancing in the moonlight)  
On this long hot summer night (It's got me hot)

Dancing in the moonlight (I'm dancing in the moonlight)  
It's caught me in its spotlight (It's caught me alright alright alright)  
Dancing in the moonlight  
On this long hot summer night (It's so got them hot)

Dancing in the moonlight (I'm dancing)  
It's caught me in its spotlight (I'm still dancing)  
Dancing in the moonlight (I'm dancing in the moonlight)

On this long hot summer night...
