

# Jailbreak

Thin Lizzy

**Es As Es Fmi Es Fmi Es**

- As Es Fmi Es Fmi Es**  
1. Tonight there's gonna be a jailbreak,  
**As Es Fmi Es Fmi Es**  
Somewhere in this town,  
**As Es Fmi Es Fmi Es**  
See me and the boys we don't like it,  
**As Es Fmi Es Fmi Es**  
So were getting up and going down,

Hiding low looking right to left  
If you see us coming I think it's best  
To move away do you hear what I say  
**As Es Fmi**  
From under my breath

- B Es**  
R: Tonight there's gonna be a jailbreak  
**B Es**  
Somewhere in the town  
**B Es**  
Tonight there's gonna be a jailbreak  
**As Fmi**  
So don't you be around  
**As Es Fmi Es Fmi Es**  
Don't you, be, around

**As Es Fmi Es Fmi Es**

2. Tonight there's gonna be trouble  
Some of us won't survive  
See the boys and me mean business  
Bustin' out dead or alive

I can hear the hound dogs on my trail  
All hell breaks loose, alarm and sirens wail  
Like the game if you lose  
Go to jail

- R: Tonight there's gonna be a jailbreak  
Somewhere in the town  
Tonight there's gonna be a jailbreak  
So don't you be around  
Tonight there's gonna trouble  
I'm gonna find myself in  
Tonight there's gonna be a jailbreak  
**As Es Fmi**  
So woman stay with a friend

**As Es Fmi**  
You know it's safer  
**As Es Fmi As Es Fmi As Es Fmi**

**Breakout!**  
**Es As Es**

3. Tonight there's gonna be a breakout  
Into the city zones  
Don't you dare to try and stop us  
No one could for long

Searchlight on my trail  
Tonight's the night all systems fail  
Hey you good lookin' female  
Come here!

R:
