

# Mama Nature Said

Thin Lizzy

Mama Nature said  
"It's murder what you've done"  
I sent you forth my brightest world  
Now it's nearly gone

Birds and bees  
Been telling me  
You can't see  
The forest for the trees

You cover up your lies  
With sympathies  
And I got no solutions  
To your persecution

Mama Nature said  
"I can't believe it's true"  
I gave you life and food for thought  
Look what did you do

You're killing my rivers  
Drowning my baby streams  
Day by day by day by day  
I hear them scream

I'm so disillusioned  
I'm so disillusioned

Mama Nature said  
"You're guilty of this crime"  
Now it's not just a matter of fact  
But just a matter of time

Cruel will be the vengeance  
So savage is the deed that's done  
And I've got no solutions  
To your own pollutions
